CHATHAM SEASIDE LINKS UPDATE

Town reinforces CLOSURE of Chatham Seaside Links Golf Course until May 4, 2020 in accordance with Governor Baker's stay-at-home Advisory. Johnson Golf Management, operator of the course, urges everyone to respect the closure, aid in social distancing, and abide by the Governor's Advisory. Further updates on the golf course status will be available at: www.chathamseasidelinks.com/.

Town officials urge everyone to take the recommended steps of social distancing, limiting exposure to others, frequent handwashing, proper respiratory etiquette, and wearing of a face-covering when social distancing is hard to maintain (<https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/diy-cloth-face-coverings.html>) seriously to limit the spread of the virus.

High risk individuals, including older adults, those with underlying medical conditions (heart or lung disease, high blood pressure, diabetes, weakened immune system, anyone who is pregnant), are urged to remain at home.

There is a substantial amount of information available on COVID-19 at the local, regional, State, and Federal level available online. We urge residents and visitors to visit the following sites for accurate, updated information:
